During ski season, the Grounds Laborer is assigned to Snowmaking unless already assigned to another winter position.

Specific Functions:

1. Provides general maintenance to snowmaking, grounds, trails, and Waterpark.
2. Uses all equipment and tools as required and maintain proper storage of the items when not in use.
3. Adheres to the Customer Service Standards of Camelback Mountain Resort as well as all Company policies as outlined in the Employee Handbook.

Job Qualifications:

- Basic working and mechanical knowledge of lawnmowers, weed trimmers, chainsaws, etc.
- In accordance with Department of Labor requirements, must be at least 18 years of age.
- Current driver's license preferred.
- Leadership, problem solving, organizational and communication skills required.
- Ability to work and get along well with others required.

Generally Accountable for:

- Working knowledge of the resort.
- Complying with all departmental and Company safety standards.
- Assisting the Mountain Operations Supervisor in all other functions as required.
- Overall appearance of the resort.
- Assisting other departments as needed.
- Actively supporting all Company initiatives.
- Communicating effectively with all members of the Camelback Mountain Resort team.

Work Conditions and Schedule:

- Exposure to outdoor weather conditions and temperatures for extended periods of time should be expected.
- Must be able to operate machinery for extended periods of time.
- Weekend, night, and holiday availability is required as well as flexibility with work schedule.

- During peak seasons, the schedule may require a work week schedule over 40 hours per week.

This job description is to be considered a general outline of the duties and responsibilities of this position and is subject to changes and revisions by Camelback Mountain Resort at any time. Responsibilities are listed as guidelines only and the job is not necessarily limited to these specifications.
