Blier continued, "In July we will open a new steel track, 4500' mountain coaster to continue the commitment that Camelback Mountain Resort is the Pocono Mountains premier resort for outdoor fun 365 days a year."

To celebrate Memorial Day Weekend, at noon on Saturday, May 26th all guests will participate in a moment of silence followed by the Star Spangled Banner and then a local Eagle Scout will play Taps on his bugle.

Camelbeach will be open Saturday, Sunday and Monday and weekends until Friday, June 15 when the park opens 7 days per week through Monday, September 3rd, 2012.
